Scholarship to Incoming ASU Students

Scholarship

ASU Alumni in the area recognize the need to reward outstanding individuals who are committed to their education, their community and have chosen to attend ASU in the fall. As a response, ASU alumni would like to award students a scholarship for their first year of college (Fall 2024 and Spring 2025).

ASU Alumni

The fund was established by ASU graduates who have returned to work and live in the Yuma/Somerton/San Luis area. They represent a variety of majors and professions and hope to serve as mentors to the recipients of the scholarship fund.

Who is Eligible?

Students who meet the general guidelines are encouraged to apply.

The scholarship committee will evaluate each application received and will make their decision on the following criteria:

- Academics

- Personal Statement
